Multiple Building Application

For Applications to form part of a Multiple Building Application they must meet the following requirements:

- Be lodged on the same day; and
- Are for the same Site; and
- Have the same Billing Customer; and
- Have the same Development Approval for Building Work number; and
- Have the same nature of application.

Payment of Fees

Fees are charged in accordance with the *Fire and Rescue Service Act 1990* or the *Building Fire Safety Regulation 2008*.

I confirm in lodging this application that I am acting as the agent and on behalf of the nominated Billing Customer or any alternative nominee and that I hold the necessary agency authority to so act.

Note: The QFRS recommends that the QFRS Terms of Payment are provided to the Billing Customer.

(a) The Billing Customer will pay to the QFRS the fees and charges prescribed for the identified services by a payment method accepted by the QFRS.

(b) All fees are due and payable fourteen (14) days from the date an invoice is issued by the QFRS.

Additionally if the Billing Customer does not pay the bill by the date the payment is due, the QFRS may:

(a) Charge the Billing Customer a late fee;

(b) Engage a mercantile agent to recover the money the Billing Customer owes to the QFRS. If the QFRS engage a mercantile agent, the QFRS may charge the Billing Customer a recovery fee;

(c) Institute legal proceedings against the Billing Customer to recover the money the Billing Customer owes the QFRS. If the QFRS institute legal proceedings, the QFRS may seek to recover reasonable legal costs.

By signing this application, I confirm that I understand the terms and conditions of application.
